Your duty of disclosure

Consumer customers:

If the insurance you are buying or renewing is arranged exclusively for personal use, providing cover for you in a private capacity outside of purposes relating to your trade, business, or profession you are a consumer customer. As a consumer you must take reasonable care not to make a misrepresentation to the insurer. This means that all the answers you give and statements you make as part of your insurance application, renewal of your insurance policy and when an amendment to your policy is required, should be honest and accurate.

If you deliberately or carelessly misinform the insurers, this could mean that part of or all of a claim may not be paid. We use your information to carry out checks on databases which help detect and prevent fraud and financial crime. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. Further details explaining how your details may be used or how the information held by fraud prevention agencies may be used can be obtained from us at your request.

Commercial customers:

If the insurance is arranged wholly or mainly for purposes related to your trade, business, or profession you are a commercial customer and you have a duty of fair presentation which means you must disclose every material circumstance and take reasonable searches which is important to the assessment of your insurance risk. Alternatively, you must disclose sufficient information that would put the insurer on notice that it needs to make further enquiries to establish those material circumstances. Otherwise, incorrect information may invalidate your insurance.

This duty applies throughout the life of your policy when any variation is made and when you renew your insurance. Material facts are any facts which may influence the insurer's decision to accept the policy and/or what terms are applied. Failure to disclose a material fact may invalidate your insurance and could mean that part or all of a claim may not be paid. We use your information to carry out checks on databases which help detect and prevent fraud and financial crime. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. Further details explaining how your details may be used or how the information held by fraud prevention agencies may be used can be obtained from us at your request.

Cancelling Your Insurance

How to cancel

You can cancel your policy at any time by contacting us on **01704 339 000**, or by completing a policy cancellation form at www.acorninsure.co.uk. Alternatively, you can contact us on Webchat at www.acorninsure.co.uk. If you are paying by Direct Debit, please speak to customer services before cancelling your Direct Debit Agreement.

Your Cancellation Rights

Within 14 days

If you are a consumer, buying or renewing a policy which provides cover for you in a private capacity, and your policy is for a duration of 31 days or more, you have the right to cancel your policy within the “cooling off period” which is 14 days from when you purchase your policy, or when you receive your policy documents, whichever is the later. For a renewed policy, this is within 14 days of your renewal date.

Provided your policy is for a duration of 31 days or more and you have not made a claim, or a claim has not been made against you, we will return to you the amount you have paid us, after deducting;

- A pro-rata deduction of the total premium for the time that you have been on cover
- A £25.00 new business or renewal arrangement fee
- No cancellation fee

Where the amount that you owe exceeds the amount that you have paid us, you will be required to make payment for the outstanding amount.

Please refer to your policy summary or your policy document for further details about cancelling your policy.

We consider Taxis, Commercial Vehicles, and Motor Trade policies to be commercial business and as a result no statutory right to cancel (cooling off period) applies, however you can still cancel your policy at any time. This means that we will treat the cancellation as if it was made outside of the cooling off period, see the section below for further details.

After 14 days

If you wish to cancel outside of the statutory cancellation period of 14 days (where this applies), provided your policy is for a duration of 31 days or more and you have not made a claim, or a claim has not been made against you, we will return to you the amount you have paid after deducting;

- A pro-rata deduction of premium for the time that you have been on cover
- Our arrangement fee as set out in the section fees and charges
- Our cancellation fee as set out in the section fees and charges

Where the amount that you owe exceeds the amount that you have paid us, you will be required to make payment for the outstanding amount.

Please refer to the section below for further information about our Fees and Charges. Please also refer to your policy document for further details about cancelling your policy and circumstances when your insurer may retain/charge the full premium when they or we cancel your policy on behalf of the insurer.

Short Term Policy Cancellations

7/30/90 Day Policies

In the event of cancellation of a 7/30/90 day policy, there is no return premium from the insurer when outside the cooling off period (if applicable), Please refer to your policy documents for full details. This does not affect your statutory rights.

30 Day Private Car Subscription Policies

In certain circumstances we may be able to offer you the option to purchase a 30-day subscription policy. By choosing this option, unless you opt out of auto renewal, you will be providing your consent for us to set up a Continuous Payment Authority with your bank or building society. We will only collect the amounts set out in your renewal notice

You can cancel this authority at any time by contacting us and letting us know that you would like to withdraw your permission for money to be taken from your card. You also have the right to cancel the authority directly with your cardholder. Should you provide us with third parties card details, it is imperative that you inform the cardholder who will be making any payments about the continuous payment authority.

You may cancel your subscription policy at any time and provided you have not made a claim, or a claim has not been made against you during the policy period, you will receive a refund for the remaining days of cover.

Add On Products

You can cancel your optional add on products at any time. If no claim has been made on these policies you will receive a pro rata refund from the Insurer, with the exception of Keycare cover. Please note, if you have made a claim or reported an incident which may give rise to a claim under these policies your insurer will retain the whole premium.

For Keycare cover if you cancel the product within 14 days of either receiving the policy documentation or from the start date (whichever is later) than any premium already paid for this product will be returned providing no claim has been made on the policy. If you cancel outside of this period, there is no entitlement to a refund of premium.

Cancellation of your main policy will automatically result in the cancellation of any additional optional add-on policies.

Payment of Refunds

Where applicable, all refunds will be processed to the same debit/credit card that was used to make payment on the policy. If you were paying for your premium by Direct Debit, any refund will be offset against any outstanding Direct Debit payments and any shortfall will become payable by you. If you are paying by Direct Debit, your insurer may pay your claim settlement to the finance house to discharge any sums owed to them.

If you take out a new policy with us and make payment towards this new policy but have a previous policy with us that has an outstanding balance, we reserve the right to transfer any money paid on the new policy to cover the debt outstanding on your previous policy.

In addition to premiums charged by insurers, we make the following charges. The table below is here to help you understand what fees are charged and when they are charged. Such charges are non-refundable.

Our earnings

In return for placing business with insurers, underwriters, and other product providers we normally receive a commission from them, which is a percentage of the annual premium that you are charged with. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business.

Please be assured that at no time will the way in which we are remunerated conflict with our responsibilities to meet your needs.

Payment by Instalments

We act as a credit broker; this means that we can arrange instalment facilities for you with a lender. The lender we will offer you is Granite Finance Ltd, a sister company of Acorn Insurance and Financial Services Ltd.

We never take a fee from customers for this credit broking service and any charges imposed by the lender will be explained in the Consumer Credit Agreement provided by them. This is a Credit Agreement between you and the lender and is in effect a loan for the initial premium and/or renewal of your policy. This agreement should not be cancelled until this has been repaid in full to the lender, even if the insurance is cancelled. **Funding your insurance premium in this way will be more expensive compared to paying for your policy upfront, as this will include a rate of interest within your credit agreement.**

Granite Finance may charge an administration fee of £25.00 if you fail to make your Direct Debits on the due date, so please ensure you are fully aware when your payments fall due and read through your finance documents carefully to understand the nature of any additional fees and charges which may be imposed by them.

If you fail to bring your account up to date, Granite Finance will cancel your credit agreement to avoid increasing the debt. As a consequence of cancellation of your credit agreement due to non-payment, your insurance policy and any associated optional add-on products will also be terminated.

When paying for your premium on Direct Debit, any refund will be offset against outstanding Direct Debit payments and any shortfall will become payable by you. In addition, your insurer may pay your claim settlement to the finance house to discharge any sums owed to them.

If you have had any fault or open claims on your insurance policy there is no refund of premium so this means that you will be liable for the full premium, even if you decide to cancel the policy and/or your policy is cancelled for non-payment.

Please note that Granite Finance has its own set of terms and conditions and charges, and you should familiarise yourself with these by reading the Granite Finance documentation carefully. Should you have any questions regarding your credit agreement, please contact them on 01704 339 500.

Documents & cancellation notices sent by email

If you have agreed to receive your policy by email we will send all documentation, including your certificate of insurance, to the email address you have supplied to us. Please note we have the right to cancel a policy by giving you notice by email. It is therefore important that we hold the correct email address for you so please do take care when providing your email address to us and please do notify us promptly if we have the incorrect details and/or you change your email address.

Renewal

We will notify you in good time via email before your renewal date advising you of your renewal price and other important information. In some cases, we may be unable to offer you a renewal price and we reserve the right not to renew your policy. If this is the case, we will notify you that we are unable to offer you a renewal price.

Your renewal notice will be based on the information that we hold so if anything has changed, please do let us know so we can provide you with an updated quotation.

Cancellation of automatic renewal

Should you purchase a policy which is subject to an automatic renewal, you can at any time exercise your right to cancel your policy from automatically renewing. This can either be actioned at the time of purchasing your policy or at any time during the policy term. You can do this by using the Customer Portal, via this link <https://portal.acorninsure.co.uk/>, completing an Auto Renewal opt out form <https://www.acorninsure.co.uk/auto-renewal-opt-out> or contacting us on **01704 339 000**. By opting out of your policy automatically renewing you will need to ensure that you have alternative cover from the day your policy expires.

Protecting your money

Prior to your premium being forwarded to the insurer and for your protection, we hold your money as an agent of the insurer in an Insurer Trust Account. This means that it is regarded as having been received by the Insurer when placed in this account. We may need to transfer your money to another intermediary in some cases; where this happens, it is still regarded as having been received by the insurer when placed in the Trust Account. We also reserve the right to retain interest earned in this account. *By accepting this Terms of Insurance Business document, you are giving your consent for us to operate in this way.*

Protecting your information

All personal data held about you will be collected, processed and stored securely in accordance with the Data Protection Legislation. When we refer to the **Data Protection Legislation**, we mean:

- i. the Data Protection Act 2018 ("the 2018 Act") and the United Kingdom General Data Protection Regulation ("UK GDPR") and any national implementing laws, regulations and secondary legislation, as amended or updated from time to time, in

the UK;

- ii. the General Data Protection Regulation EU 2016/679 ("GDPR") where applicable;
- iii. the Privacy and Electronic Communications (EC Directive) Regulations 2003 ("PECR"); and
- iv. any applicable successor legislation.

We may share your personal data with legitimate third parties where the disclosure is made at your request; or to validate your insurance contract where the law requires us to; or where a mutual third party requires us to validate your insurance contract. Our regulators, for example, the FCA, may ask us to provide them with access to our customer records in order that it may carry out a review of our activities.

Some or all of the information you supply to us in connection with your insurance proposal may be passed on to insurance and other companies for underwriting, claims and premium collection purposes. We and/or the insurers and/or credit providers may use publicly available information about you from a variety of sources, including credit reference agencies and other external organisations to verify your identity or creditworthiness, to avoid fraud, and to obtain beneficial quotes and payment options on your behalf. Each of these searches may appear on your credit report.

Under Data Protection Legislation, you have various privacy rights in respect of your personal data including the right to access and the right to find out about how your data is collected, used and stored. We have set out your rights and how we use your personal data in more detail in our Privacy Notice available on our website www.acorninsure.co.uk. If you have any questions about how we use your personal data, please contact our Data Protection Officer at dataprotection@acorninsure.com.

How to Make a Claim

Please refer to your policy summary or your policy document for full details of what to do if you are involved in an accident or incident and how to notify your insurer of a claim.

Haven Fleet & Motor Trade Customers Only

If you have a Fleet or Motor Trade policy underwritten by Haven Insurance (the insurer), and you do not report an accident or incident within the required time of the accident or incident first occurring, **you may be charged an increased policy excess of £500.00** for reporting your claim late. See the table below to check your reporting requirement. Your policy documentation will also explain the circumstances in which an additional excess may be payable.

Policy Type	Late Reporting Increased Policy Excess Payable
Fleet	£500 – All claims must be reported within 72 hours of the accident or incident occurring
Motor Trade	£500 – All claims must be reported within 24 hours of the accident or incident occurring

To **avoid incurring a late reporting excess** please ensure that you tell the Haven claims department within the required time of the accident and/or incident first occurring. Awareness of Policy Terms

When you take out a policy, we will send you a statement of fact and/or proposal form which shows the information you have supplied to us to obtain insurance cover. Please check this carefully and inform us immediately of any errors. Please also check your insurance schedule, certificate of insurance along with your policy wordings and Insurance Product Information Document carefully, as it is these documents which forms the basis of the Contract of Insurance you enter into. If you are in any doubt over the policy terms and conditions, please contact us promptly.

Policy documentation can also be found on our website at www.acorninsure.co.uk/documents; however, it is important that you refer to the policy documentation which applies to your specific product and the date when you purchased the insurance policy. If you are unsure which policy applies to you, please contact us.

Approval of Documents by Third Parties

Various Taxi and Fleet operations, including but not limited to UBER and BOLT, may have their own individual requirements to approve insurance documentation which is outside of our control. We are not responsible for any loss of earnings incurred where we have arranged cover in accordance with your instructions, yet the insurance documentation has not been accepted by a Taxi or Fleet operator. We therefore strongly encourage you to ensure with your operator in advance of commencement and/or expiry of your existing policy that your documentation has been approved by them and do this within our operating hours to mitigate any risk that you may be unable to work.

Policy validation

To ensure that the policies we provide are appropriate to your needs and provide the correct cover, as well as preventing fraud, we are required to validate the information you have provided to us. To do this we may contact you to confirm your details and collect any necessary information to assist in the validation process. By validating your Insurance Underwriting details, we are reducing the risk of incorrect information forming the basis of your insurance contract and future claims not being indemnified due to this incorrect information.

We will validate your information initially by checking a number of databases such as Claims and Underwriting Exchange. We may need some further details from yourself such as:

- Driving License details, which can be submitted through this link www.acorninsure.co.uk/documentation-upload/.
- No Claims Discount which can be submitted through this link www.acorninsure.co.uk/documents/make-a-change-to-your-policy/document-upload/.

Should you require these additional documents to complete our validation process we will contact you. If supporting documentation is not received, we reserve the right to cancel the policy or charge an increased premium. We may also cancel or void the policy if a serious misrepresentation or act of fraud is detected, but only if the policyholder has acted deliberately or carelessly in not telling us the truthful information required to validate the insurance application.

Webpay and Tonepay Facility

Please note for our short-term 7-day or 30-day taxi policies you may be able to use our Tonepay or Webpay facility to purchase another short-term new business policy subject to no changes. We are unable to guarantee the services as they operate on several software platforms which are not within our control, and we cannot be held responsible for non-receipt of policy documents utilising these services. Should you wish to utilise these systems please do so in advance of your last policy expiring to ensure you have time to check receipt of your documents and to call us during our opening hours if these are not received.

As insurance brokers we generally act as your agent in arranging your insurance and assisting you in the event of a claim; we will always act honestly, fairly and professionally ensuring your best interests are our priority. In certain circumstances we may act for insurers and/or other parties. Where we become aware of any actual or potential conflict of interest with our duty to you, we will inform you of the situation, the options available to you and obtain your consent before we proceed.

Directors of Acorn Insurance are shareholders in Haven Insurance, an Insurer used to place your business. Acorn Insurance and Financial Services Ltd is owned by a holding company which also owns Haven Insurance. We have procedures in place to ensure that Haven Insurance is used only where it is appropriate and in the best interests of the customer.

Money laundering/Proceeds of crime

We are obliged to report to the National Crime Agency any suspicion of money laundering or terrorist financing activity and we are prohibited from disclosing any such report.

Adequacy of insurance values

It is the responsibility of the insured that the valuation placed on the insured vehicle, and policy limits/coverage are adequate. It is strongly recommended that the appropriate Professional (e.g., Surveyor/Accountant) be consulted to ensure that the sums insured and limits under the policy are suitable.

Insurer security

The insurers we use are regulated and are required to have adequate capital resources. However, we cannot guarantee the solvency of any insurer we place business with. An insolvent insurer may be unable to pay claims or may be unable to pay them in full and you may have to pay a further premium to pay for alternative insurance cover.

Termination

You or we may terminate authority to act in connection with your insurance arrangements at any time. Notice of termination must be given in writing and will be without prejudice to the completion of any transactions already commenced. Any business currently in progress will be completed unless we receive instructions to the contrary. Any premiums or fees outstanding will become payable immediately. In circumstances where we feel we cannot continue providing services to you, we will give you a minimum of 7 days' notice. However, under certain circumstances, such as suspected fraud and/or misrepresentation, your insurers may exercise their right to cancel your policy with immediate effect. Please refer to your policy documents for full details.

Law and jurisdiction

These Terms of Business shall be governed by and construed in accordance with English Law and shall be subject to the exclusive jurisdiction of the courts of England and Wales.
